This is an excellent opportunity for an experienced, hard-working, quality minded Technician who is looking to be a part of group of individuals that strive to deliver the highest quality repairs in the industry.

## **Responsibilities**

- Refinish damaged body parts and bodies of vehicles in accordance with factory
- Operate and use all body shop equipment properly and safely.
- Remove rust from metal, grease, and dirt from work surfaces.
- Prepare surfaces for new paint application using manual and power sanding tools.
- Mix paint to match manufacturer's color specifications.
- Paint surface using sprayer or brush as appropriate.
- Maintain tools and keep equipment clean and in safe working order.
- Maintain and wear all safety and protective wear.
- Comply with laws and regulations pertaining to paint, thinners and other hazardous materials.
- Cooperate and assist other personnel in the repair and prepping of vehicles.

## **Qualifications**

- Above average quality focus
- Focus on High production
- I-CAR or ASE Certifications are a bonus
- Previous experience as a painter for a dealership or other collision/body shop.
- Ability to read and comprehend instructions and information.
- Good eye for detail and color.
- Must be self-motivated and dependable.

## **Competitive Advantage:**

- Regional presence with 5 locations
- 60 Year Plus Company that is privately owned
- Stable employment with a growing company
- Winning culture and excellent work environment
