Overview

Riley & Sons is looking for a Master and Journeyman Auto Body Technician with exceptional repair skill sets to join our team of professionals. This is an excellent opportunity for an experienced, hard-working, quality minded Technician who is looking to be a part of group of individuals that strive to deliver the highest quality repairs in the industry.

Are you tired working for a typical body shop with no real leadership, no real estimating skills that leads to lower pay for techs, or for managers that do not realize the value of quality techs. Maybe your tired of not getting the proper education to work on today's vehicles, or tired of having to work with broken and outdated equipment. Maybe you are just frustrated working in a dark dirty dungeon.

Then you owe it to yourself to apply for this job. Riley & Sons is place with a great team of individuals that are professionals at the top of their game. All Riley & Sons' locations are I-Car Gold Certified and believe in investing in their staff at all levels. Riley & Sons has been in business for over 63 years serving in three Indiana counties with 5 locations. Our facilities are clean, bright, and fully equipped with the latest equipment and technology. Come be a part of a winning culture!

Responsibilities

- Participate in developing a proper repair plan for each vehicle
- Repair collision damaged vehicles according to manufacturer specifications and company standards
- Work in harmony with the production schedule including meeting deadlines

Qualifications

- 2-5+ years of collision repair experience
- Ability to properly complete light to heavy repairs, including structural work
- Above average quality focus
- Focus on High production
- I-CAR or ASE Certifications are a bonus

Competitive Advantage:

- Regional presence with 4 locations
- 63 Year Plus Company that is privately owned
- Stable employment with a growing company
- Winning culture and excellent work environment

- Comprehensive benefits including medical, vision, dental, 401(K), paid vacation and holidays, and other
- A management team that supports their technicians with the tools, technology, and the resources to be the best they can be.
- A management team that treats all employees with respect and integrity.
- Great earning potential
- Facilities that are cleaned, well lighted, and with up to date equipment and technology

Please come and join our team of professionals. Riley & Sons is the largest collision repair facilities in Madison County, founded in 1957. Please fill out online application, at <http://www.rileyandsons.com/JobOpenings.aspx> or call 317-462-0077
