RILEY & SONS COLLISION AND MECHANICAL SPECIALISTS

Making a Difference

November 19th 2018- East Central Indiana

Riley & Sons Employees and Kroger have partnered together and have committed to providing assistance to needy families in East Central Indiana. Through the guidance of local organizations, churches, clubs and schools Riley & Sons employees packed and delivered 25 food baskets containing a complete nonperishable Thanksgiving meal. Kroger also provided a \$15 gift card to purchase a turkey, ham or other essentials that might be needed.

Riley & Sons wants to give back to all local communities in or surrounding Anderson, Pendleton, New Castle and Greenfield. We feel like it's a good time to reflect with gratitude on the blessings and bounties that we have received throughout the year.

Employee Butch Hilligoss >" some are just down on their luck right now and if I have it I'm going to share it."

Employee Phyllis Campbell >" it's a good time to think about those who are less fortunate, and consider whether you can be of help to those who are in need."
