There are over 1500 children/a day being served at Riley Hospital for Children. The Riley Cheer Guild distributes between 9000-14000 items a month to the patients at Riley. Over 14,000 are distributed each month to patients. These items are given as gifts for the patients and kids to keep. These toys can help pass the time or distract a child during a painful procedure. Games, art materials, books, movies and music can add opportunities for children to learn play and grow as they spend time in their hospital room.

LET'S MAKE A DIFFERNECE THIS YEAR "ESPECIALLY FOR THE KIDS"
