RILEY & SONS COLLISION

Honda *Pro First* Certified

November 15, 2017- Anderson, Indiana

In the ever changing fast paced auto industry Riley & Sons is proud to announce yet another achievement. To qualify for the *Pro First* Certified Program, body shops must meet specific knowledge and skill requirements, becoming an I-CAR Gold Class was achieved last month at all Riley & Sons locations. This is the highest level of training in the industry. To ensure that body shops keep up with the latest Honda technology each *Pro First* shop must complete Honda-Specific training through I-CAR.

Pro First Certified shops have unprecedented access to all service and repair information, including mechanical and collision, for all years and models of Honda. It is important to protect your family and friends by choosing a Honda *Pro First* trained Shop. At Riley & Sons we are looking out for your best interests.

By Choosing Riley & Sons it will give you the peace of mind that your Honda will be safely repaired to factory specifications and return your Honda to its showroom appearance.
