RILEY & SONS COLLISION AND MECHANICAL Readers' Choice for 2018

April 1st 2018- New Castle-Henry County, Indiana

Riley & Sons has been in the auto body business for over 60 years in Madison County. It started with R.A. Riley in a one-car garage in Anderson, Indiana. In 1994 R.A. sold the business to his son Tim Riley- "*Who some would say has been working here since birth.*"

In 2003 Dave Driggers, who has been with Riley & Sons for over 33 years, became a partner in the business. As friends first, then business partners, Tim and Dave have strived to keep Riley & Sons *a top of the mind* and *top of the line facility*. Staying on top of the ever-changing auto collision service requires focused, extensive, employee training and constantly updating equipment and technology. Riley & Sons has grown to five locations throughout East Central Indiana to better serve its local communities.

Riley & Sons would like to thank New Castle and Henry County for voting us the best Auto Body Shop "Readers' Choice for 2018". We look forward to working with you in the coming year. We hope we don't HAVE to see you, but when we do... we **will** treat you like family.
